

EXECUTIVE OFFICE OF THE PRESIDENT  
OFFICE OF MANAGEMENT AND BUDGET  
WASHINGTON, D.C. 20503

January 21, 2021

Statement from Acting OMB Director Robert Fairweather

**Budgetary Impact Analysis for Executive Order Entitled  
“Promoting COVID-19 Safety in Domestic and International Travel”**

This executive order implements public health measures consistent with CDC guidelines on public modes of transportation and at ports of entry to the United States. Implementing this executive order would have no impact on costs and revenues to the Federal Government. The benefits of this executive order include mitigating the risk of travelers spreading COVID-19, saving lives and allowing all Americans, including the millions of people employed in the transportation industry, to travel and work safely. Implementing this executive order would have no impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-year fiscal period beginning in fiscal year 2021. The agencies anticipated to be impacted by this executive order include the Departments of Labor, Health and Human Services (including through the Centers for Disease Control and Prevention), Transportation (including through the Federal Aviation Administration), Homeland Security (including through the Transportation Security Administration and the Commandant of the U.S. Coast Guard), State, and all other relevant departments and agencies.
