Statement from Acting OMB Director Robert Fairweather

**Budgetary Impact Analysis for Executive Order Entitled
“Revocation of Certain Executive Orders Concerning Federal Regulation”**

This executive order revokes harmful executive orders and associated policies and regulations that threaten to frustrate the Federal Government’s ability to confront urgent challenges facing the Nation. Implementing this executive order would have de minimis impact on costs and revenues to the Federal Government. The benefits of this executive order include equipping Executive Departments and Agencies with the flexibility to use robust regulatory action to address national priorities. Implementing this executive order would have de minimis impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-year fiscal period beginning in fiscal year 2021. The agencies anticipated to be impacted by this executive order include all Executive Departments and Agencies.
