

EXECUTIVE OFFICE OF THE PRESIDENT  
OFFICE OF MANAGEMENT AND BUDGET  
WASHINGTON, D.C. 20503

January 28, 2021

Statement from Acting OMB Director Robert Fairweather

**Budgetary Impact Analysis for Executive Order Entitled  
“Strengthening Medicaid and the Affordable Care Act”**

This executive order requires the Department of Health and Human Services to consider establishing a special ACA health insurance marketplace enrollment period; requires Federal agencies with authorities and responsibilities related to Medicaid and the ACA to review recent regulatory and administrative actions, including protecting people with pre-existing conditions and eliminating barriers to Medicaid and ACA marketplace coverage; and, revokes executive orders 13765 and 13813 and requires a review of agency actions arising from or related to them. Implementing this executive order would have a de minimis impact on costs and revenues to the Federal Government. The benefits of this executive order include protecting and strengthening Medicaid and the ACA and to make high-quality health care accessible and affordable for every American. Implementing this executive order would have de minimis impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-year fiscal period beginning in fiscal year 2021. The agencies anticipated to be impacted by this executive order include all executive departments and agencies.
