

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, DC 20503

August 10, 2021

The Honorable Nancy Pelosi
Speaker of the House of Representatives
U.S. House of Representatives
Washington, D.C. 20515

Dear Madam Speaker:

Section 251(a)(7) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) requires that the Office of Management and Budget (OMB) submit a report to the Congress on discretionary appropriations legislation within seven calendar days of enactment (excluding Saturdays, Sundays, and legal holidays). The "Seven-Day-After" report must contain the OMB and Congressional Budget Office (CBO) estimates of discretionary new budget authority provided by the legislation and an explanation of any differences between the two estimates.

Enclosed is the Seven-Day-After report for the Emergency Security Supplemental Appropriations Act, 2021 (Public Law 117-31). The President signed the Act into law on July 30, 2021.

Sincerely,

A handwritten signature in black ink that reads "Shalanda D. Young". The signature is written in a cursive, flowing style.

Shalanda D. Young
Acting Director

Enclosure

Identical Letter Sent to The Honorable Kamala D. Harris

Notes:

1 Enacted appropriations reflect OMB scoring of discretionary appropriations in the Emergency Security Supplemental Appropriations Act, 2021 (Public Law 117-31).

2 The FY 2021 spending limits for the defense (or "revised security") and non-defense (or "revised nonsecurity") categories are equal to the amounts published in the *OMB Final Sequestration Report to the President and Congress for Fiscal Year 2021* (see OMB's website: <https://www.whitehouse.gov/omb/legislative/sequestration-reports-orders/>).

3 Section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) authorizes an adjustment to the caps for appropriations that are designated by the Congress, and subsequently designated by the President, as emergency requirements. Public Law 117-31 includes funding for emergency requirements with the appropriate designations and the President transmitted to the Congress on July 30, 2021 his subsequent designations of all of these amounts. All emergency requirements are summarized here and are not included in the totals displayed above that are counted against the caps. The adjustments to the discretionary limits to reflect this spending are not included in this report but will be included in an update report on the caps that OMB will issue in August of 2021.
