Statement from Acting OMB Director Shalanda Young

**Budgetary Impact Analysis for Executive Order Entitled
“Requiring Coronavirus Disease 2019 Vaccination for Federal Employees”**

This executive order directs the heads of all agencies (as defined in 5 U.S.C. 105) to require COVID-19 vaccination for all Federal employees, with exceptions only as required by law. Implementing this executive order would have no impact on costs and revenues to the Federal Government. The benefits of this executive order include promoting the health and safety of the Federal workforce and the efficiency of the civil service. Implementing this executive order would have no impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-year fiscal period beginning in fiscal year 2021. The agencies anticipated to be impacted by this executive order include all applicable executive departments and agencies.
