

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

February 28, 2022

Statement from Acting OMB Director Shalanda Young

**Budgetary Impact Analysis for Presidential Memorandum Entitled
“Maximizing Assistance to Respond to COVID-19”**

This Presidential Memorandum of December 27, 2021 directs the Federal Emergency Management Agency to provide a 100 percent Federal cost share for COVID-19 testing sites launched and operated by the Department of Health and Human Services in close coordination with State, local, Tribal, and territorial public health departments. Implementing this executive order would increase costs and revenues to the Federal Government. The benefits of this Presidential Memorandum include combatting and responding to COVID-19 with the full capacity and capability of the Federal Government to protect and support families, schools, and business; assisting State, local, Tribal, and territorial governments to do the same. Implementing this Presidential Memorandum would increase mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-year fiscal period beginning in fiscal year 2022. The agencies anticipated to be impacted by this Presidential Memorandum includes the Federal Emergency Management Agency.
