

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

April 18, 2023

Statement from OMB Director Shalanda Young

Budgetary Impact Analysis for Executive Order Entitled “Increasing Access to High-Quality Care and Supporting Caregivers”

This executive order seeks to improve access to high-quality child care and long-term care while providing support for family caregivers. Implementing this executive order would have de minimis impact on costs and revenues to the Federal Government. The benefits of this executive order include improving care jobs, lowering costs for families seeking care, and expanding care options for families. Implementing this executive order would have de minimis impact on mandatory and discretionary obligations and outlays, or on revenues to the Federal Government, in the 5-year fiscal period beginning in fiscal year 2023. The agencies anticipated to be impacted by this executive order include the Departments of Agriculture, Commerce, Defense, Education, Health and Human Services, the Interior, Labor, the Treasury, and Veterans Affairs; the Small Business Administration; and the Corporation for National and Community Service.
