

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

March 19, 2024

Statement from OMB Director Shalanda Young

**Budgetary Impact Analysis for Executive Order Entitled
“Advancing Women’s Health Research and Innovation”**

This executive order would direct agency actions to expand and improve research on women’s health. Implementing this executive order would have no impact on costs and revenues to the Federal Government. The benefits of this executive order include closing existing research gaps and maximize the potential to prevent, diagnose, and treat health conditions in women. Implementing this executive order would have no impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-year fiscal period beginning in fiscal year 2024. The agencies anticipated to be impacted by this executive order include the Departments of Health and Human Services, Defense, Veterans Affairs, and Agriculture; the Environmental Protection Agency; and the National Science Foundation.
