2024-085	Alex Ingrams	, I would like to access the undisclosed public comments submitted as part of CEQ's regulatory proposal in the docket number CEQ-2019-0003-0001. As part of the proposed rule, 'Update to the Regulations Implementing the Procedural Provisions of the National Environmental Policy Act', the CEQ invited public comments in 2019. According to the docket information on regulations.gov, there were 1,145,572 public comments received. However, only 720,590 were made public on regulations.gov. That means that 424,982 public comments are missing. I understand that there are often good reasons for withholding some comments (e.g., duplicate comments, silly comments, obscene comments etc). However, I would like to see the original missing comments to understand better what those comments contained.
