

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

January 3, 2025

The Honorable Mike Johnson
Speaker of the House of Representatives
U.S. House of Representatives
Washington, D.C. 20515

Dear Mr. Speaker:

Section 251(a)(7) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) requires that the Office of Management and Budget (OMB) submit a report to the Congress on discretionary appropriations legislation within seven calendar days of enactment (excluding Saturdays, Sundays, and legal holidays). The "Seven-Day-After" report must contain the OMB and Congressional Budget Office (CBO) estimates of discretionary new budget authority provided by the legislation and an explanation of any differences between the two estimates.

Enclosed is the Seven-Day-After report for division B of Public Law 118-158, the Disaster Relief Supplemental Appropriations Act, 2025 (the "Act"). The President signed the Act into law on December 21, 2024. The report does not include estimates of continuing appropriations for FY 2025 provided in division A of Public Law 118-158. Additionally, the remaining divisions of this Act are not counted towards the discretionary spending limits; therefore, any budgetary effects for these divisions are not contained in this report.

Sincerely,

Enclosure

Identical Letter Sent to The Honorable Kamala Harris

Notes:

1 Enacted appropriations reflect OMB scoring of discretionary emergency supplemental amounts provided in division B of Public Law 118-158, the Disaster Relief Supplemental Appropriations Act, 2025.

2 The FY 2025 spending limits for the defense (or "revised security") and non-defense (or "revised nonsecurity") categories are equal to the amounts published in the *OMB Sequestration Update Report to the President and Congress for Fiscal Year 2025* (see OMB's website: <https://www.whitehouse.gov/omb/legislative/sequestration-reports-orders/>).

3 Appropriations previously enacted for 2025 reflect OMB scoring of second-year effects of amounts enacted in Public Law 118-50, an Act making emergency supplemental appropriations for the fiscal year ending September 30, 2024, and for other purposes. The seven-day-after report for this Act is on the OMB website: <https://www.whitehouse.gov/omb/legislative/budget-enforcement-act-7-day-reports/>).

4 Section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) authorizes an adjustment to the caps for appropriations that are designated by the Congress, and subsequently designated by the President, as emergency requirements or for Overseas Contingency Operations/Global War on Terrorism. Division B of Public Law 118-158 includes supplemental funding for these activities with the appropriate designations as emergency requirements and the President transmitted to the Congress on December 21, 2024 his subsequent designations of all of these amounts. These amounts are summarized here and are not included in the totals displayed above that are counted against the caps. The adjustments to the discretionary limits to reflect this spending are not included in this report but will be included in OMB's Final Sequestration Report for 2025.
